

December 2007

Dear Players and Parents,

Though the snow on the ground would have you believe otherwise, we are thinking spring! We are busily preparing for the start of, what we are sure will be, another fun and successful season of baseball!

Please complete your registration form (signature in two places), and return it with your \$150 playing fee before 1/30/08. This year we must adhere to this deadline date for a few reasons;

- Space is a growing concern for the league as we have limited field availability. Therefore, the number of teams must be limited in order to have the optimum playing time per player and per team. Thus requiring us to place a capped limit on player count. As registrations are received they will be prioritized by postal stamp date. Consequently, a timely registration is of the utmost importance.
- Our tryout date is 3/9/08 and we need all players registered in order to properly conduct our tryout session. All new players to the league must attend tryouts.
- We plan to place the order for uniforms (hat, shirt and socks) during the following week, so we need a correct player count. New players to the League, please remember to send a copy of your birth certificate.

Tryouts will take place at 10:00 a.m. on Sunday, 3/9/08, in the barn at Allard Park off Goffstown Back Road. All new players to the League, regardless of age, should plan to attend. The tryout gives the coaching staff an opportunity to evaluate the skill level of new players to the League for team placement. It should be noted that the Board has approved cuts be made at tryouts if needed. Players should bring a glove and wear sneakers – no cleats, please. Bats and helmets will be provided.

Parents, we could sure use your help during the upcoming season! The Parental Support/Assistance section on the registration form lists areas in which you can help. Goffstown Babe Ruth Baseball's ability to provide a full season of practices and games is completely dependent on its volunteer base. Please let us know what you can do to help.
